Government overreach.	2.63%
None, I live in a state of Nirvana!	2.63%
Other (please specify)	0.00%

Comment(1): 1)Will my contract be extended or will it end, hard to plan for the future with such uncertainty; 2)I don't focus on my fears; 3)I am feeling better these days, though I am wildly fearful for the planet

2. What's your second biggest fear?

	% Response
My finances and safety net.	31.58%
The future of my kid/s.	15.79%
Poor health as I age.	15.79%
Government overreach.	15.79%
Losing my job.	7.89%
The failure of my business.	5.26%
Economic recession, depression or collapse.	5.26%
None, I live in a state of Nirvana!	2.63%
Other (please specify)	0.00%

Comments(2): 1)Not meeting my soulwork; 2)War, disease, famine,global warming; 3)I focus on the things I am grateful for

3. What's your third biggest fear?

	% Response
Economic recession, depression or collapse.	28.95%
The future of my kid/s.	21.05%
Poor health as I age.	18.42%
My finances and safety net.	13.16%
Government overreach.	7.89%
The failure of my business.	5.26%
None, I live in a state of Nirvana!	5.26%
Losing my job.	0.00%
Other (please specify)	0.00%

Comments(3):1) Growing Old alone; 2) Ask me to list the 3 things I am grateful for, my problem would be limiting it to 3.

Question

4. When it comes to your finances and economic safety, what do you need help with?

	% Response
Creating multiple streams of income, with semi-passive income.	55.26%
Building a larger safety net through self-reliance.	28.95%
Budgeting, expense reduction, debt elimination and building a safety net.	15.79%
Starting and growing a new business.	13.16%
Learning about real estate investing, including flips and rentals.	7.89%
Other (please specify)	0.00%

Comments(4): 1) Investment Strategy; 2) I don't know; 3) juggling multiple women at one time; 4) good shape right now; 5) Generating a relatively fair income stream on investments; 6) *While I don't have a large nestegg right now, it always seems as though I have everything I need. Perhaps I could use help perceiving lack in my life so I would be more motivated to focus on my survival*

5. When it comes to your well-being, what do you need help with?

	% Response
Staying healthy, fit and vital into old age, so I'm not a burden to my kid/s.	34.21%
Developing "my unique path" to what I want to create with my life.	31.58%
Creating more meaning in my life, both personally and professionally.	26.32%
Learning to provide for and protect my family, in any economy.	23.68%
Elder-Care guidance.	5.26%
Coping with job loss and despair.	2.63%
Other (please specify)	0.00%

Comments(5): 1) Efficient use of time; 2) Having enough time in the day for well the fun of (see above); 3) For my parents and in-laws; 4) *I feel well thank you, despite this survey's assumption that I experience fear and lack. I hope that you have seen the other comments I have made in the 'other' fields of all 5 questions. The survey would not send unless I checked a box.*

Demographics

Prefer not to answer	2.63%
18-24	0.00%
25 - 34	0.00%

Dear "I live In a State of Nivana",
 Obviously you're already "asended", other than you superior attitude.
 I suggest you unsubscribe, since I can't offer you anything, and write your own book.
 I'm trying to help those who have suffered, like my family and I.
 In your book I suggest you include the exact strain of reffer you're smoking.
 All of us could use a temporary break from the real world.
 To Delusion or Trolldom, Your Choice!
